### **OTHER BUSINESS ACTIVITIES**

Mr. Feuer is a registered representative and investment adviser representative of Lincoln Investment and an investment adviser representative of Capital Analysts. Lincoln Investment and Capital Analysts are affiliated entities under common control. Mr. Feuer may offer the services of either company when making financial recommendations to you. These companies offer similar services and products, but with different pricing structures for the services being offered. This may present a conflict of interest in that a recommendation to use a particular firm may be viewed as being in the best economic interest of Mr. Feuer. If you purchase commissionable products through your Advisor, your Advisor will receive a commission, and in the case of mutual funds, possibly a 12b-1 fee. You are under no obligation to purchase commissionable products through Mr. Feuer. However, please note Mr. Feuer will recommend to you the services he believes are most appropriate for you.

Mr. Feuer may receive separate, yet customary, commission and other financial incentive compensation resulting from the purchases and sales of insurance products. You are under no obligation to purchase insurance products through Mr. Feuer.

### **ADDITIONAL COMPENSATION**

Please refer to the Fees and Compensation section in Shepherd Financial Investment Advisory's Form ADV 2A of which should have been provided to you by your Advisor. This section describes in detail the potential other forms of compensation, in addition to the advisory fee, that may be shared with Mr. Feuer and other Financial Advisors by Shepherd Financial Investment Advisory.

For non-advisory product purchases, your Advisor may receive a sales commission which may be in addition to any advisory fees received on your advisory assets. In these situations, your Advisor may be financially incentivized to offer you both non-advisory and advisory products and services.

Lincoln Investment provides incentives, such as sales conferences, for financial advisors, the eligibility for which may be based on the number of advisory accounts or the total assets under management. This may present a potential conflict of interest. Shepherd Financial Investment Advisory hold their Financial Advisors to a Code of Ethics and owe a fiduciary duty to all clients and require your Financial Advisor to always place your interests above his or her own and to avoid any recommendation that would not be in your best interest. It is each financial advisor's responsibility to understand and adhere to the requirements of the Code of Ethics, as well as applicable laws, regulations, and rules.
